

TARGET ZERO VALUES

COMMITMENT

To a culture of Zero Harm where any incident or injury is unacceptable.

EMPOWERMENT

Every employee has the right and duty to stop work if they believe an activity is unsafe, or could harm the environment or community, especially when a **change** has occurred.

TEAM WORK

Together we will plan and perform any activity to achieve Zero Harm, cost and schedule objectives.

ACCOUNTABILITY

We all contribute to the support and delivery of our projects, therefore we are accountable for making Zero Harm a reality.
